**If you are not able to serve please call the Parish Office. Thank you!**

We are preparing our Christmas schedule, please if you are not able to serve over the holiday season, give the parish office a call. Thank you.

(\* **Note** : Extraordinary Eucharistic Ministers are asked to pick up the sanitizer gel at the West entrance of the Church before Mass. They are requested to use it prior to coming forward to distribute Communion. *If the H1N1 flu symptoms become prevalent, we will discontinue the use of the Cup to assure that the possibility of transferring the virus is minimized.*)
